LITTLE POND PLACE

Davis Square Architects teamed up with Affirmative Investments and Falmouth Housing Corporation on Little Pond Place, a LEED-Silver certified four-building, 40-unit affordable rental development located in Falmouth, MA. The project consists of 10 one-bedroom, 26 two-bedroom, and four three-bedroom units, as well as stylishly appointed common areas and a community building, and landscaped greenspaces.

Little Pond Place was developed to respond to the need for a wide range of affordable housing opportunities, as well as a community that serves as a model for family rental housing. ■
